

Guidance of Department of Environmental Studies for Advanced Society

Chair: Prof. Hiroshi Takahashi

Deputy Chair: Prof. Etsuro Shibata, Prof. Masanobu Kamitakahara

Charge for seminars: Assoc.Prof. Shun Yokoyama

(1) Document1

- Guidelines for the Master's Seminar in Environmental Studies for Advanced Society (required course for Master's students)
- Guidelines for the Doctoral Seminar in Environmental Studies for Advanced Society (required course for PhD students)

It is necessary to make two presentations at the seminar before the completion.

(2) Document 2

- Internship

Before taking the course, consult with your supervisor and deputy chiefs of the department (Prof. Kamitakahara or Prof. Shibata).

(3) Other information

- Subject: Eco-practice

This subject is conducted in the form of exercises in a small group, and the load of the exercises is considerably heavier than other subjects, so be prepared to take this subject.

Please read the materials carefully and consult with your supervisor or deputy chairs if you have any questions.
